TANGALOOMA ISLAND RESORT

TANGALOOMA EDUCATIONAL EXPERIENCES

Queensland's all-encompassing education destination in Brisbane's backyard

Only 75 minutes from Brisbane

tangalooma.com/education

NATURE'S PLAYGROUND

ALL OVERNIGHT STAYS INCLUDE WILD DOLPHIN FEEDING

The Tangalooma difference

Tangalooma Island Resort on Moreton Island is just a 75 minute scenic cruise from Brisbane and host to a myriad of educational and nature based experiences.

Home to 'Global Link', Australia's leading environmental forum for primary and secondary school students, Tangalooma is the perfect backdrop for environmental learning as well as marine education and conservation.

Presentations and Tours

Our passionate Eco Rangers have the local environmental and historical knowledge, equipment and resources to support your students' learning outcomes, delivered via a number of guided tours and presentations.

Discover the World of Dolphins

Students staying overnight or on select day trips can learn more about our dolphins personalities, characteristics, family groups and behaviour in an engaging, interactive presentation before hand feeding one of the wild dolphins that visit Tangalooma each evening. An optional data collection activity is available on the Jetty post presentation to observe and identify the dolphins and their behaviours.

MOST POPULAR

Island Explorer Tour

Join an Eco Ranger on a guided bushwalk into the adjacent National Park to learn about the flora and fauna of Moreton Island, as well as the history of the Island's indigenous people.

Memories of Moreton

Students will learn about the culture and life of the Aboriginal people of Moreton Island. They'll also learn about the history and operations of the Tangalooma Whaling Station and how Tangalooma has evolved from the devastating exploitation of whales, to a sustainable whale watching tourism industry, that supports their conservation.

Our Coastal Environment

Moreton Bay has an incredibly diverse eco system (home to over 800 dugongs, 2 species of dolphins, 4 species of marine turtles and over 200 species of fish). Find out why it is so important to protect Moreton Bay and what you can do to help save the environment!

Desert Safari Tour with Sand Tobogganing

Take your students on a thrilling journey to the scenic Tangalooma Desert aboard our purpose-built 4WD buses. Learn about the coloured sands in this area before experiencing the exhilarating sport of sand tobogganing – it's worth the climb!
